**TESTIMONIAL**

My internship program with DK Outsource has been a fulfilling experience.

During these 9 weeks, I was exposed to different opportunities which allowed me to have a deeper understanding of Quantity Surveyor (QS) field. At the beginning of my internship, I was brought along to meet the client together with my colleagues. There, I witness how both parties interacted with each other in order to attain the optimal outcome. Following that, Mr Dennis, the Managing Director of DK Outsource, appointed me as the in-charge to lead a project all by myself. Though that period of time was really stressful, fortunately I have very friendly and approachable colleagues whom I can always count on. Without them, I would not be able to complete my task on time.

For the following weeks, my colleagues have always included me in their projects despite the mistakes that I have made. They gave me the opportunity to learn as much as I can, and correct my mistakes patiently.

I would like to thank Mr Dennis, as well as all my colleagues, especially Ambar, Madel and Noothan for their guidance all along. I appreciate everyone's patience and kindness for the past 9 weeks.

Thank you.

Yours sincerely,
