TESTIMONIAL FOR DK OUTSOURCE PTE. LTD.

DK Outsource Pte. Ltd was engaged by WRS Exhibit Design Dept. to provide full QS services for 2 of WRS projects namely;

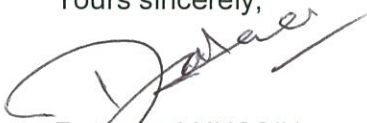

1. Development of Kampung Mandai
2. Development of the Ankole Exhibit and Dens

Both projects have completed preliminary costings and tender stages, however, were eventually shelved due to priorities given to other development projects.

DK Outsource services were commendable as staff was responsive with extensive knowledge with regards to constructions recent practices and recent market pricing sentiments.

WRS was satisfied with DK Outsource performances and look forward to partner with them again for our future developments projects.

Yours sincerely,

Ratnawati HUSSIN
Project Manager
