Dear Dennis,

Congratulation for your 10th anniversary!

We found DK Outsource to be a very professional and responsive organization. Their QS teams were a pleasure to work with, and they delivered on all their promises and in budget

We are pleased their quality results and QS service rendered and are delighted with the relationship we have with them and would have no hesitation in recommending them to others in the construction industry.

Outsourcing our QS work to DK Outsource has been a complete success.

Looking forward to working again with you in the near future.

Thank you.

Yours faithfully,
